

NEW WEB DESIGN – BASIC PACKAGE \$1,000

- **Home Page:** Includes overview of your company, services or products.
- **Company Info/About Us Page:** In-depth information about your company, personnel, future growth, etc.
- **Services or Products Page:** Basic information about your services or the listing of your products.
- **Contact Page:** Your location, address, phone numbers, contact names and a mail form for collecting visitor information via e-mail.
- **Testimonials Page:** Give prospective customers peace of mind in knowing that you have a proven track record!
- **Photos or Images:** Basic Web Design Package includes the addition of 10 photos. Additional photos will be charged at \$10 each. If you desire a photo gallery or slide show, please refer to the Basic Rate Schedule in your Client Agreement for pricing. Any elements of text, graphics, photos, designs, trademarks or other artwork furnished to Dumas Web Design for inclusion in web pages must be owned by the Client or the Client must have permission from the rightful owner to use each of these elements. As a Dumas Web Design Client, royalty-free images from www.clipart.com are included. The desired image item numbers must be supplied by the Client.
- **Meta Tag/Keywords/Description/Title:** Each of your Web pages will be optimized with keywords, description meta tags and title relevant to your type of business.
- **Hosting and Domains:** Dumas Web Design will purchase your domain name and set up hosting on Dumas Web Design servers or upload to your existing server, if desired. Hosting on Dumas Web Design servers is recommended to avoid complications with scripts and/or other server-related functions. Basic package includes web hosting and domain registration/transfer for one year.
- **One Premium E-mail Account with Unlimited Storage:** Basic package includes one Premium E-mail Account (using your domain name) for one year. Any additional Premium E-mail Accounts are \$10 each per year. Package also includes up to five basic e-mail accounts with 10 megabytes of storage.
- One initial in-person web site development meeting is included (up to 40 miles from La Mesa, CA) at no extra charge. An in-person meeting is not usually necessary as most anything can be handled over the phone or via e-mail communications.
